Dear valued members of the Himalaya Exchange,

We have important updates to share with you to help ensure a stable trading environment while continuing to provide a seamless trading experience.

We are pleased to announce that redemptions are now fully active, with a temporary limit of \$5,000 per month.

In the interest of protecting customer assets and due to adverse market conditions, we are implementing some short-term safeguards which include temporary limits on sell orders; this may affect some members.

While we understand that these temporary measures may cause some inconvenience, we are actively monitoring the situation, and our top priority is the financial security of our valued members.

If you have any questions or concerns, please [contact](#) our customer support team.

As always, thank you for your understanding and cooperation.

Kind regards,  
The Himalaya Exchange Team
